LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

During the creation of my lightbulb,
I learned to be creative and
use all the colors of the rainbow.
I used mosaic squares and put A, B,
C 1, 2, 3, 5, 6, 7, 9, 10, silver, and gold.
For the top I used an F. I like
state so the wires on my F-
were green and white.

LEARNING STATEMENT

**While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...**

During the creation of my light bulb
I learned about textures like sharp and
smooth. I put mosaic squares on the
bulb for the texture. I made an O. because
it was the easiest to make. I had fun
and it was easy to make.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I learned during the creation of my lightbulb the primary and secondary colors. I also learned you can express your feelings in art. Like when I made my lightbulb I was crazy. I did whatever I wanted to do. I learned also art can be anything. We use colors in everyday life so that is art.

LEARNING STATEMENT

While working on "ABC's of Michigan- *Many Ways of Learning*,"
I learned...

I learned while making my lightbulbs about primary and secondary colors. I learned how to mix colors and how textures affect the way the surface looks. We used stuff that ornaments aren't usually made with to show that art can be anywhere.

LEARNING STATEMENT

While working on "ABC's of Michigan- Many Ways of Learning,"
I learned...

During the creation of
my lightbulb, I learned
to be creative and use
blue for blue Christmas
snowflakes. I used the
O for my lightbulb.

My beads were white and
blue because I really
like those colors and
they seem like snow-like
colors for Christmas.
